RISK FACTORS

A. RELATING TO THE OFFER

The risk factors set forth below pertain to the Offer and are not in relation to the present or future business operations of the Target Company or other related matters, and are neither exhaustive nor intended to constitute a complete analysis of the risks involved in participation or otherwise by a shareholder in the Offer.

- 1) The Offer involves an offer to acquire up to 26% of the Expanded Equity and Voting Share Capital of FCL from the Eligible Persons for the Offer. In the case of over subscription in the Offer, acceptance would be determined on a proportionate basis and hence there is no certainty that all the shares tendered by the shareholders in the Offer will be accepted.
- 2) In the event that (a) a statutory and regulatory approval is not received in a timely manner, (b) there is any litigation leading to a "stay" of the Offer, or (c) SEBI instructing the Acquirers not to proceed with the Offer, and then the Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer. Consequently, the payment of consideration to the shareholders of FCL whose Shares has been accepted in the Offer as well as the return of Shares not accepted by the Acquirers may be delayed. In case of the delay, due to non-receipt of statutory approvals, as per Regulation 18(11) of the SEBI (SAST) Regulations, 2011, SEBI may, if satisfied that the non-receipt of approvals was not due to wilful default or negligence or failure to diligently pursue such approvals on the part of the Acquirers, grant an extension for the purpose of completion of the Offer subject to the Acquirers paying interest to the shareholders for the delay, as may be specified by SEBI. Without prejudice of Regulation 18(11) of the SEBI (SAST) Regulations, 2011 Acquirers shall pay interest for the period of delay to all such shareholders whose shares have been accepted in the open offer, at the rate of ten per cent per annum, however in case the delay was not attributable to any act of omission or commission of the Acquirers, or due to the reasons or circumstances beyond the control of Acquirers, SEBI may grant waiver from the payment of interest. The Acquirers will not proceed with the Open Offer in the event statutory or other approval/s, if any, as may be required, are refused in terms of Regulation 23(1) of SEBI (SAST) Regulations.
- 3) The Equity Shares tendered in the Offer shall be held in in trust by the Clearing Corporation / Registrar to the Offer until the completion of the Offer formalities and the Public Shareholders who have

tendered their Equity Shares will not be able to trade in such Equity Shares during such period, even if the acceptance of equity Shares in this offer and/or dispatch of payment consideration are delayed. Further, during such period, there may be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer and the Acquirers do not make any assurance with respect to the market price of the Equity Shares at any time, whether during or after the completion of the Offer, and disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any shareholder on whether to participate or not to participate in the Offer.

- 4) Public Shareholders should note that once they have tendered their Equity Shares in the Offer, they will not be able to withdraw their Equity Shares from the Offer, even if the acceptance of Equity Shares under the Offer and dispatch of consideration is delayed. During such period, there may be fluctuations in the market price of the Equity Shares of the Target Company. The Public Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer and/or Clearing Corporation notwithstanding delay in acceptance of the Equity Shares in this Offer and dispatch of payment consideration. Accordingly, the Acquirers and Manager to the Offer make no assurance with respect to the market price of the Equity Shares of the Target Company before, during or upon completion of this Offer and each of them expressly disclaims any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by the Public Shareholders on whether or not to participate in this Offer.
- 5) This Offer is subject to completion risks as would be applicable to similar transactions.
- 6) NRI and OCB holders of the Equity Shares must obtain all approval/s required to tender the Equity Shares held by them in this Offer (including without limitation the approval from the RBI) and submit such approval/s along with the Form of Acceptance and other documents required to accept this Offer. In the event such approval/s are not submitted, the Acquirers reserve the right to reject such Equity Shares tendered in this Offer. If such previous approval/s and/or relevant documents are not submitted, the Acquirers reserve the right to reject such Equity Shares tendered in this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or on non-repatriable basis.
- 7) This Draft Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. 7.1.3 The Offer Price of Rs 12.00/- (Rupees Twelve Only) is justified in terms of Regulation 8 (2) of the SEBI (SAST) Regulations on the basis of the following:

SR. NO.	PARTICULARS	PRICE (IN RS. PER SHARE)
(a)	Negotiated price per Equity Share i.e. the price at which equity shares allotted to the Acquirers on preferential basis (Rs. 10/- Per Share)	Rs. 10*
(b)	The volume- weighted average price paid or payable for acquisitions by the Acquirers / PACs during 52 weeks immediately	Not Applicable

SR. NO.	PARTICULARS	PRICE (IN RS. PER SHARE)

(d)	the volume-weighted average market price of shares for a period of sixty trading days immediately preceding the date of the public announcement as traded on the stock exchange where the maximum volume of trading in the shares of the target company are recorded during such period. (in case of frequently traded shares only)	Not Applicable	
(e)	Where the Equity Shares are not frequently traded, the price determined by the Acquirers and the Manager to the Offer taking into account valuation parameters including book value, comparable trading multiples, and such other parameters as are customary for valuation of shares of such companies	12.00**	
(f)	Other Financial Parameters as at	30.09.2023	31.03.2023
	Return on Net worth (%)	1.62	13.72
	Book Value per share	7.95	(15.47)
	Earnings per share	0.13	(2.12)

*The Negotiated price per Equity Share i.e. the price at which equity shares allotted to the Acquirers on preferential basis has been arrived based on Valuation Report dated December 15, 2023 issued by Bhavesh M Rathod, Chartered Accountants, Registered Valuer - Securities or Financial Assets, (IBBI Registration No.: IBBI/RV/06/2019/10708) in accordance with Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018. Price arrived by valuer is Rs 9.44 per equity share.

Further valuer has mentioned in his report that the present issue of Equity Shares shall result in change in control of the Company. Accordingly, valuer added the control premium of 5% to the value considering the Regulation 166A of SEBI ICDR Regulations. Accordingly, valuer after considering the control premium of 5% has arrived at value of Rs 9.91 per equity share, which is rounded off to Rs. 10 per equity share.

**The Fair Value of equity share of the Target Company is Rs. 12/- (Rupees Twelve only) as certified by Alpa N. Dhani, Independent Valuer, (Membership No. 102514), Proprietor of A. N. Dhani, Chartered Accountants, having their office situated at 503, Iccha Kutir, Vayudevyta Complex, Devidas Road, Borivali West, Mumbai-400103; Tel. No: +91 9819593929; Email: alpa.dhani@gmail.com vide valuation certificate dated December 15, 2023 in accordance with Regulation 8 (2) (e) of SEBI (SAST) Regulations. (UDIN: 23102514BGXVOQ6886)

The rationales for providing the multiples, as communicated by Ms. Alpa N. Dhani, Independent Valuer are as below:

- The valuation has been arrived by average of NAV method, PECV method and Market Price method by assigning weights of 75.00%, 20.00% and 5.00% respectively to each method.
- Under NAV method the value has been taken based on latest available financials as on September 30, 2023, since earning has been recently started in the Target Company hence, 75% weightage given to NAV method.
- Under PECV method, average of profits of financial year 2023 and profit for half year ended September 30, 2023 based on Annualized basis. PE Ratio of 23.20 is based on CAGR of BSE Sensex, hence the average profits have been capitalized at PE Ratio to arrive value under PECV method. Further, based on historical data there is no such earning in the Target Company in fiscal year 2021, 2022 and 2023 and also considering earning potential will depend upon new management hence 20% weightage given to PECV method.
- Under Market Price method the value has been taken based on equity share traded in last 60 trading days. Also, 23,28,000 equity shares out of 25,00,000 equity shares are in lock in as on date and 1,72,000 equity shares are free from lock-in. And the annualized trading turnover of the equity shares of the Target Company on BSE during Twelve calendar months prior to the month of PA date (December, 2022 - November, 2023) based on free shares equity shares is 4.76%, hence 5% weightage has been given to Market Price method.

- g. Management has confirmed that there are no relevant and direct comparable companies listed on recognized stock exchanges, which could be considered to determine the value of equity shares of the company using the Comparable Companies' Multiple (CCM) method, therefore not considered the CCM method for the said Valuation Purpose.

In view of the parameters considered and presented in table above, in the opinion of the Acquirers and Manager to the Offer, the Offer Price of Rs. 12/- (Rupees Twelve only) per share being the highest of the prices mentioned above is justified in terms of Regulation 8 of the SEBI (SAST) Regulations, 2011.

7.1.4 There has been no corporate action requiring the price parameters to be adjusted.

7.1.5 The Target Company is only listed on BSE Limited and market price of equity shares of Target Company (closing) as on date of public announcement i.e. on 15th December, 2023 was Rs. 195.80 and market price of equity shares of Target Company (closing) on a day just after public announcement i.e. on 16th December, 2023 is not applicable as shares of Target Company were not traded on 16th December, 2023.

7.1.6 In the event of any further acquisition of Equity Shares of the Target Company by Acquirers during the offer period, whether by subscription or purchase, at a price higher than offer price, then offer price will be revised upwards to be equal to or more than the highest price paid for such acquisition in terms of Regulation 8 (8) of the SEBI (SAST) Regulations. However, it shall not be acquiring any equity shares of Target Company after the third working day prior to commencement of tendering period and until the expiry of tendering period.

7.1.7 If the Acquirers acquire any Equity Shares of the Target Company during the period of twenty-six weeks after the closure of Tendering Period at a price higher than the Offer Price, then the Acquirers shall pay the difference between the highest acquisition price and the Offer Price, to all shareholders whose Equity Shares have been accepted in this Offer within sixty days from the date of such acquisition. However, no such difference shall be paid in the event that such acquisition is made under another open offer under the Takeover Regulations, or pursuant to SEBI (Delisting of Equity Shares) Regulations, 2021 or open market purchases made in the ordinary course on the stock exchange, not being negotiated acquisition of Equity Shares of the Target Company in any form.

7.1.8 As on date of this DLOF, there is no revision in the Offer Price or Offer Size. In case of any revision in the Offer Price or Offer Size, the Acquirers will comply with all the provisions of the Regulation 18(5) of the Takeover Regulations which are required to be fulfilled for the said revision in the Offer Price or Offer Size.

7.1.9 If there is any revision in the Offer Price on account of future purchases / competing offers, it will be done only upto one working day prior to the date of commencement of the tendering period in accordance with Regulation 18(4) of the Takeover Regulations and would be notified to the shareholders by way of another public announcement in the same newspapers where the DPS has appeared. The same will also be informed to SEBI and BSE.
